### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Calderone on 1/16/2008.

The application has been amended as follows:

On line 1 of claim 1 "a hydrocarbon" has been changed to ---an aromatic---.

On the line next to the last line "an alkylatable hydrocarbon" has been changed to ---the aromatic compound---.

Claims 2-4, 7, and 8 have been canceled.

On line 1 of claim 6, "alkylatable hydrocarbon" has been changed to ---aromatic compound---.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or render obvious a process as called for in claim 1 for alkylating an aromatic compound with an alkylating agent in the presence of a Y zeolite which is produced by steps as called for in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
